>10:00 a.m.-12:00 p.m. – CWAG Answers Your Water Questions. Where does our water come from? Do we have enough? What happens to the water we conserve? What is the Big Chino pipeline and do we need it? Will our water rates go up? A panel of CWAG experts will answer these questions and more. The panel will answer your questions, provide CWAG's answers to the five questions discussed at CWAG's Aug. 5 Prescott mayor and council candidate forum, and address questions asked by the forum audience. Read the forum questions at www.cwagaz.org and/or view the forum in the video archive. Bring your water questions to the meeting or submit them in advance to info@cwagaz.org. For more info, call 445-4218, e-mail info@cwagaz.org or visit www.cwagaz.org. Location: Granite Peak Unitarian Universalist Congregation building, 882 Sunset Avenue (two blocks behind True Value).
