Hello Prescott Public Library Patrons,

Cooler mornings and shorter nights are a reminder that summer has gone and fall is here. This fall, we are asking for your feedback to help us better understand how our services correspond with your expectations. On October 2, we will email you a link to our customer satisfaction survey. We will also have paper copies of the survey available in the library during the month of October for patrons who prefer to use paper and pencil.

Library staff take pride in providing services and programs that meet the needs of the community and, by completing a survey, you can help us fine-tune our efforts. Thank you for your help and continued support. I will see you at the library.
