

The background image shows a lush forest scene. In the foreground, a small stream flows over large, smooth, light-colored rocks, creating white foam. The water is surrounded by green grass and small plants. In the middle ground, a low, rustic stone wall made of irregular stones runs across the frame. Behind the wall, more trees and foliage are visible, and a wooden fence or bridge structure can be seen in the distance. The overall atmosphere is peaceful and natural.

VOLUNTEER EVENT FLYER

Announcing plans for some "Spring Cleaning" in Stricklin Park! The City of Prescott and the Prescott Audubon Society hope to do much-needed repairs and gentle improvements to make the Park look it's best again. We are hoping for your help and ideas.

Stricklin Park Meeting

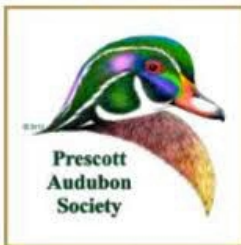

Butte Creek Trailhead, 1751 Sherwood Dr.
Wed. April 2nd 5:00 PM
Please join us!

VOLUNTEER EVENT FLYER

Thank You!

We'll be starting each morning at the Butte Trail trailhead on Sherwood Road. Join us 8am to Noon on any or all of the days listed. Please bring gloves, your sunscreen, hat and your work gear. If you have a rake, shovel, pruners or wheelbarrow, those might be handy. We will be assisting the City's Over-the-Hill-Gang as they improve the trails. We'll be clearing runoff debris. We will be doing some modest landscaping.

Light refreshments and plenty of rest breaks will be provided.

For more information, contact The Prescott Audubon Society at d4@prescottaudubon.org

Thank you for your help!
