Prescott Audubon Society Birdathon, 2020

As with myriad other events, chapter leaders decided Birdathon "teams" would be unwise when "physical distancing" remains our wisest and healthiest alternative.

However, your Audubon chapter still has operating costs, and would like to fully fund our $1,000 environmental scholarship for college students, especially when student expenses will likely be more difficult to meet.

Other Education funding goes to donating Audubon Adventure teaching kits to elementary school classrooms (we donated 35 kits in 2019, $1,675) and for a $150 stipend to a young birder to help them attend the annual Arizona Field Ornithologist meeting.

Accordingly, several chapter members will participate in the "Global Big Day, Yavapai County, Arizona," on May 9. Each participant has chosen specific areas and will submit lists of species seen with results being publicized later. In addition, Marge Penton and Jan Parrott will be traveling throughout Mojave County’s birding hot spots to lend their support.

If you are willing to support Prescott Audubon Society through the Birdathon, our biggest fundraiser, contributions may be sent to Prescott Audubon Society, P.O. Box 4156, Prescott, AZ 86302. Please write "Birdathon" on the memo line of your check.

And, thanks for caring!
